W.P.(C) NO. 27556 OF 2010 (T)

==========

Dated this the 9th day of September, 2010

J U D G M E N T

Petitioner appeared for the supplementary examination of two papers of fifth semester and one paper of 7th semester. In this writ petition, what is sought for by the petitioner is an early publication of results.

2. Standing counsel for the respondents has obtained instructions in the matter and submits that the 5th semester regular examination was over only on 19/8/2010 and the 7th semester examination was over only on 10/8/2010. It is submitted that valuation will commence from the 1st week of October and that the results will be published by the middle of December, 2010.

3. Having regard to the fact that the supplementary and regular examinations were only over as indicated by the learned standing counsel for the respondent University, I do not think that the University can be directed for publication of the results earlier than the middle of December, 2010. In view of the above, it is directed that University shall declare the results of the candidates including the petitioner by the middle of December, 2010 as submitted by the learned counsel for the University.

Writ petition is disposed of as above.
